Chinese are dangerous enemies, for they are treacherous. That's why all counterfeits of DeWitt's Witch Hazel Salve are dangerous. W. O. Massey wore one of his shirt waists today. One would never notice the difference until his attention was called to the fact. You saw a man in his shirt sleeves, with a striped shirt, with a yoke in the back and a belt around his waist. Of course, as the lower part of a man's shirt is, or should be, concealed by his bifurcated appendages, the absence of that part of the shirt waist was not noticeable.

The wolf in the fable put on sheep's clothing because if he traveled on his own reputation he couldn't accomplish his purpose. \$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The priors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

THE BOSTON STORE

This establishment moved here six months ago from Jacksonville and located in the room formerly occupied by Mrs. Hick. The store, by virtue of its liberal and judicious advertising, has brought a great number of customers within its doors, and after that was accomplished it was an easy matter to sell them the goods, for the store has an immense stock of clothing, shoes, dry goods and notions, in fact a complete line of everything found in a store of this kind. The prices are very reasonable—in fact, as low as it is possible to sell first class goods. This the people have learned and are not slow to visit the store.

The Boston Store needs more room and a better location, and in consequence have rented the handsome store in the Opera House block and are having it fitted up especially for their occupancy on the first. Another good move on the part of this establishment was in securing the services of Ardis Waterman, who on the 28th will take charge of their clothing department. Mr. Waterman is one of the best known, most popular and competent salesmen in the city, and has been in a clothing store continuously, with the exception of the past few months, since he was big enough to fit a coat on the back of a customer. He will be a valuable acquisition to the force of salesmen in the store.

Mr. Henry Wilson, who has charge of the saw mill and engine force of the Warnell Veneering Co., Plant City, and who has been visiting his family a week, left last night for his post of duty.

HIS LIFE WAS SAVED

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong, I can't say too much in its praise."
